**Gary R Lowe**

**I have presented evidence to the court of a decision by the Circuit Court for Greene County, Tennessee. This court decision has made Circuit City liable for reasonable and necessary treatment for the rest of my life. Having the possibility of no treatment caused by this bankruptcy leaves me vulnerable to pay for my own medical expenses for my back injury. I will settle for 100,000.00 dollars as compensation for this loss of medical embursement, as ordered by the Circuit Court. Please note that all parties agreed to this decision. I expect justice to be done.**

**I have no other evidence to introduce, as the decision of the court as given to you earlier should be sufficient.**
